

RIDING CAP DISCLAIMER

CONSCIOUS CHOICE TO NEGLECT CAP (RIDING HELMET) OBLIGATION

Equestrian sport is a high risk sport. Riding horses and participating in competitions involves unavoidable risks.

Riding without an approved safety helmet (CE/EN 1384) increases these risks. Riding without a safety helmet increases the risk of serious permanent injury as well as death in accidents.

The AVS and Manège Het Keelven therefore strongly advises all adult riders at its competitions to use an approved safety helmet. AVS and Manège Het Keelven excludes all liability for damage caused in whole or in part by riding without an approved safety helmet. Failure to use an approved safety helmet is entirely the rider's own risk.

The undersigned hereby declares that he/she is aware of the serious risks associated with participating in this competition and not using an approved safety helmet.

The undersigned accepts the exclusion of liability by AVS and Manège Het Keelven and will bear any damage for its own account.

For participants under 18 years old and participants in the Novice classes riding with a safety helmet is mandatory.

Riding with safety helmet or hat is at all times mandatory on the premises.

The undersigned hereby agrees to all of the above.
