Pattern Description:

1. Start at A, sidepass left and backup to B, lope left lead towards G and continue lope half circle left towards C
2. Leadchange (flying or simple) halfway between F and C, continue lope right lead
3. Break to jog and jog circle right between C and D, continue jog and after D extended jog to E
4. At E stop, turn 450° (1¼) right and hesitate, then walk to F
5. Stop before F and turn 90° (¼) left on the forehand
6. After completing turn, drop stirrups and jog half circle left towards G
7. Stop next to G, turn 360° left and hesitate = finish. Jog out.

ATTENTION: Forehand turn is to the right as you use the right leg to push the hip
